### **DETAILED ACTION**

1. Claims 11-14 are pending in the application.

### ***Response to Arguments***

2. Applicant's arguments filed on Dec. 19, 2005 have been fully considered but they are not persuasive regarding obviousness and ODP rejections. In regard to obviousness rejections, the examiner does not agree with the applicants arguments that one skilled in the art would find no motivation or suggestion in Toutain's reference or Bissery's reference to make or use a composition comprising irinotecan containing a detectable amount of 4-amino-3-propionylphenyl-1,4'-bipiperidine-1'-carboxylate for its therapeutic effect. As states very clearly in the last office action, the therapeutic effect of instant composition is solely due to irinotecan and the therapeutic utility of irinotecan is well known in the prior art. The applicants have not provided any unexpected results of either superior activity or reduced side effects by the instant combination over the prior art known composition comprising irinotecan. In regard to ODP rejection, the applicants have not submitted a terminal disclaimer.

### ***Conclusion***

3. Rejections of claims 11-14 under 35 U.S.C. 103(a) are maintained for the reasons of record.
4. The obviousness-type double patenting rejection of claims 11-14 is maintained for the reasons of record.

**5. THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
